

**TEENS! Bring Your Parents to
An Important Workshop on . . .**

**“Transition to Adult Healthcare for
Young Adults with Special Needs”**

Teens with special healthcare needs ... Have you and your parents thought about how to manage your health care when you are an adult? Please join us for this Saturday morning workshop to do some thinking and planning about your future.

Important Issues That Will Be Addressed:

Teens breakout group will learn about:

- ☆ What to do when you are sick
- ☆ How to schedule an appointment
- ☆ What to expect when visiting a new doctor
- ☆ How to order prescriptions and refills
- ☆ Completing and carrying medical and emergency information cards
- ☆ Living healthy lifestyles

Parent breakout group will learn about:

- ☆ How to support your youth in learning the skills needed to manage their health care
- ☆ Strategies to teach the health care skills
- ☆ The value of youth gaining independence in managing their health care

THERE IS NO FEE TO ATTEND THIS PRESENTATION AND REFRESHMENTS WILL BE PROVIDED!
